☰ tag	Clubhouse Tip

New users - Follow Community Club and Talk Club; listen to Community Club Welcome events - a good one in English generally starts at 7am EST every day and runs for a few hours. Jump in at any time.

See Clubhouse Guide for onboarding help; reference links; a brief explanation what pages of the Clubhouse app look like; what the buttons and controls look like and how they work.

▼ About Profiles

- Bell - always, sometimes, never notify when X is talking
- Bio - all words are indexed for people search
- Stars button - suggestion other people like this person

▼ About the Hallway

The Hallway is the initial List of Rooms created by people and clubs you follow plus Clubhouse recommendations- follow wisely! May also include rooms based on Topics you choose

- Top section of Hallway view shows upcoming events for you
- Swipe left to see if people you follow are active, and rooms they are in now
- Swipe room right to hide rooms you don't want to see again
- Hallway will improve based on Clubhouse improvements
 - Will add languages you speak and languages used by a room

- Avoid snake oil sales in hall
- Could block or report shady folk
- Follow for Follow rooms banned

▼ Improving the quality of Hallway and Notifications

- Suggestions are based on people and Clubs you follow, and TBD magic
- Appears that more Suggestions are based on who people you Follow Follow
- Follow good people and clubs you would really like to talk with or listen to
- Following big celebrities may broaden suggestions too much
- Click the Notifications bell in the Profile of people to tell Clubhouse to Always, Never, or Sometimes notify you when that person begins speaking or takes some notable action.
- Use Explore to find names of people, and name of Clubs you may be interested in. Clubs are listed under Topics you may be interested in
- If you are Following an interesting person, review the Clubs that person is in, and people that person Follows for ideas on who you might want to Follow

▼ About Rooms

▼ Speakers in top section - the Stage

- Circle shows currently talking
- Norm: mute if not talking
- Clap: click quickly on Speaker's mike button
- First few speakers are founder and early members
- Founder - created room, first Admin
- Admin - can add/remove/ban members; grant/remove Admin rights
- See Moderation good practices

- Ping button (+) - show people you follow, invite them to this room
- Hand - raise hand. Speakers see queue, can invite anyone to Stage
- ▼ Creating Rooms
 - Anyone can create a Room, add anyone who follows you
 - Room can be: Public; Social (Open to all Followers / Club Members); Private (listed)
 - Room disappears when closed or last Speaker leaves
- ▼ About Clubs
 - Has Members - nominated by other Members, accepted by Admin
 - Club can grant Members right to create Room under banner of that Club
 - Members get notification when Rooms under banner of that Club is scheduled or created
- ▼ About Events and Calendar
 - ▼ Anyone can add an Event to the Calendar
 - ▼ Event: Announced plan to open a Room at a specified time, with a brief description. Under the banner of a Club, or as a stand-alone Room.
 - ▼ A/O Feb 2021: There's no way to search the Calendar or easy way to find an Event more than a day in the future (by scrolling)
 - ▼ Tip: when you create an Event, save its link and post that as an announcement on Twitter etc.
